DIGITAL WRITING SKILLS GROUP WORK

In groups, and after the examples provided by the instructor, think of a plausible **Team-task/assignment** within your respective degrees that could involve—not necessarily exclusively—the use of digital writing skills. Discuss its design and try to fill in as many of the following boxes as possible with the precise information:

Objectives (name 2-3): How many members? Why? Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements and/or feedback)	Title of the assignment:
How many members? Why? Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements)	
Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	Objectives (name 2-3):
Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements)	
Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements)	
Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements)	
Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements)	
Parts (sequencing, deadlines): Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	How many mambars? Why?
Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	How many members? wny?
Specific parts related with digital writing (brief description): Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	Parts (sequencing, deadlines):
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements and/or feedback)	Specific parts related with digital writing (brief description):
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements and/or feedback)	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements and/or feedback)	
Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements and/or feedback)	
and/or feedback)	Any other aspects of the proceedings that you consider worth mentioning (evaluation, in-progress achievements
	and/or feedback)

Further reflection: How can this task improve your digital writing skills? And your specific knowledge of the course/degree for which it is designed?
