

Let's watch the following video: <https://www.youtube.com/watch?v=hKUOPUtKVA8>.

Now, answer the following questions:

- What are short-term rentals?
- What is a common complaint about them?
- What do local authorities try to do? Why is it not easy?
- Which is the EU's plan?
- Which is its main goal?
- How will the EU aims be achieved?
- Number 1:
- Number 2:
- Number 3:
- Number 4:
- Number 5:
- Can you give examples about how this will be implemented?
- What do stakeholders think about this (campaigners, owners, Airbnb executives...)?
- How can the process, according to the EU, be simplified?
- What is particular about Amsterdam's example?
- What is the EU focused on just now?
- What is your own opinion about this? Give reasons.
